

CERTIFICATE OF COMPLETION USTEM SUMMER INTERNSHIP 2025

THIS CERTIFICATE IS PROUDLY
PRESENTED TO

NURADIL ZHAMELEDEN

In recognition of the successful completion of the "USTEM Summer Internship 2025" organized by the Public Fund "USTEM Foundation", the official Program Delivery Organization of *FIRST®* in Central Asia.

As a member of the first cohort of this program, Nuradil Zhameleden was selected through a competitive process among students from across Kazakhstan. Throughout the internship he demonstrated exceptional motivation, responsibility, and initiative while gaining valuable experience in the operations of public funds and the organizational structure of *FIRST®* Robotics Central Asia.

Nuradil Zhameleden actively contributed to the preparation and execution of key initiatives, including the *FIRST®* Global Challenge Central Asia 2025 Selection Stage, the start of the new *FIRST®* Robotics Central Asia season, and different international outreach activities. Moreover, his efforts in supporting robotics team development, volunteer engagement, and community growth have made a meaningful impact on the advancement of STEM education in the region.

The "USTEM Foundation" hereby recognizes his dedication, professionalism and valuable contribution to the development of robotics and STEM in Kazakhstan and Central Asia. We believe that this internship marks the beginning of future collaboration and we look forward to working together again to further promote STEM and innovation.

With appreciation,
PUBLIC FUND "USTEM FOUNDATION"
